

Chem/Serv, Inc. Receives 2026 ACD Responsible Distribution™ Excellence Award

Minneapolis, MN - The Alliance for Chemical Distribution (ACD) has named Chem/Serv, Inc. a recipient of the 2026 Responsible Distribution Excellence Award, recognizing the company's outstanding commitment to the principles and practices of ACD Responsible Distribution™.

The Responsible Distribution Excellence Award recognizes ACD member companies that demonstrate exceptional performance and leadership in environmental, health, safety, security, and sustainability practices through their implementation of Responsible Distribution.

- At Chem/Serv, Inc., Responsible Distribution is an integral part of our approach to safety, operations, environmental stewardship, employee engagement, community responsibility, continuous improvement, etc. Building a proactive safety culture through robust employee training, routine audits, and company-wide STOP Work Authority.
- Converting its sales fleet to 100% hybrid vehicles and implementing facility and transportation improvements that reduce environmental impact.
- Designing its facilities around Responsible Distribution principles, incorporating enhanced safety systems and operational efficiencies.
- Demonstrating a proactive approach to emergency preparedness through realistic response exercises and continuous improvement.

"Receiving the 2026 Responsible Distribution Excellence Award is a tremendous honor for Chem/Serv and a reflection of our team's commitment to "For more than 30 years, Responsible Distribution has shaped how we operate, how we train our employees, and how we invest in the future of our business. This award reflects the dedication of our entire team and their unwavering commitment to doing things the right way. We're honored to be recognized by ACD and remain committed to building on that legacy for years to come," said Andrea Nagle, CEO of Chem/Serv, Inc.

"For two decades, the Responsible Distribution Excellence Award has recognized the companies that define what leadership looks like in our industry," said Caroline Brooks, Senior Director of Responsible Distribution. "As we celebrate this milestone anniversary, we're proud to recognize Chem/Serv, Inc. for carrying that tradition forward through their commitment to safety, continuous improvement, and operational excellence. They have raised the bar for our industry and represent the enduring strength of Responsible Distribution."
